

Tateossian celebrates listing with Singapore Airlines' KrisShop

Tateossian's Evil Eye bracelet is now featured on KrisShop

London-based Tateossian has secured a listing with Singapore Airlines' KrisShop, commencing this month.

The brand's ready-to-wear Evil Eye bracelet stack includes a blue double-wrap leather design finished with a stainless-steel diamond patterned clasp and paired with a 6mm round beaded black agate bracelet bearing three central evil eye resin beads.

Looking forward to showcasing its inflight set offerings at the 2024 TFWA World Exhibition in Cannes later this year, Tateossian is also listed with Emirates.
