

Caudalie introduces pocket-size suncare stick

SPF50 Invisible High Protection Stick

Caudalie has launched its first suncare stick.

The SPF50 Invisible High Protection Stick is formulated with organic filters to provide effective UVA/UVB protection. It is water-resistant, fragrance-free and vegan.

The pocket-size format stick is easy to use, easy to carry, and suitable for the whole family, adults and children from 3 years and older.

The product is now available in European airports with Lagardère Travel Retail, Avolta, Eurotrade München, Kappé Schipol, DFS.
