

# Marc Jacobs unveils latest seasonal collection of its Daisy portfolio

Capturing the airy essence of nature and the innocence of spring, the Daisy Spring Limited Edition creates a refreshing experience that transports the user to an idyllic world of blooming daisies and lush greenery

Inspired by the feeling of a care-free spring day, Daisy Marc Jacobs Spring features three sparkling scents in shades of green and pink. The brand uses three words to describe the seasonal limited-edition collection of its #MJDaisy fragrance portfolio: fresh, uplifting and vibrant.

Capturing the airy essence of nature and the innocence of spring, the Daisy Spring Limited Edition offers a seasonal twist on the Classic Daisy fragrances. Each fragrance highlights an unexpected green ingredient with a feminine burst of pink, creating a refreshing experience that transports the user to an idyllic world of blooming daisies and lush greenery.

The following is a list of fragrances from the offering:

Daisy Marc Jacobs Spring Limited Edition

Inviting bursts of pink rosebuds and rosewood blossom create a feeling of elegance, while green cardamom adds a spicy texture

Shot by photographer Zoë Ghertner, the Daisy Spring print advertising features the limited-edition collection laying on a crisp, white blanket. The sun is shining, bathing them in a warm light. The campaign highlights the happy and optimistic mood of a spring day by replicating a picnic in the middle of a daisy field.
