

Swiss skincare brand VerdiLab announces attendance at TFWA Asia Pacific Exhibition

The VerdiLab booth will be located at Marina Bay Sands Exhibition Centre, Basement 2, stand number 2-M25

[VerdiLab](#), a Swiss skincare brand, has announced that it will participate in the [TFWA Asia Pacific Exhibition & Conference](#) this year, with the brand's Founder Victoria Neymann in attendance.

According to the company, "VerdiLab has three points of difference vs. the other prestige brands that none can claim.

Developed by Victoria Neymann, a third generation medical doctor with over 20 years of experience in the Natural Pharma and Cosmetics whose mission is to change the skin for the better through science-led skincare.

Backed by 50 years of scientific research and powered by exclusive, patent-pending ImmunatuRNA® Technology that supports the natural skin's immunity, with transformative results confirmed by independent studies.

The formulas are highly advanced yet 100% natural and clean as we seriously care about the health of the skin. That means we do not use any risky and any synthetic ingredients in our formulas. Our luxurious, sensual textures set us apart from the most prestigious brands."

The VerdiLab booth will be located at Marina Bay Sands Exhibition Centre, Basement 2, stand number 2-M25. The conference takes place in Singapore from May 7 to 11.
