Newlyweds Becca Harley and Daniel Smith have been given the chance to go on their dream honeymoon to Thailand after winning the grand prize of A\$5,000 (US\$3554) Webjet e-gift card.

They were among the seven winners of Gold Coast Airport's Shop & Fly Mega Giveaway. The Giveaway has attracted almost 8,000 entries from passengers who spent A\$20 (US\$14.20) or more at one of the 27 participating stores at the airport. Besides Harley and Smith, five runner-up winners received a A\$1000 (US\$710.70) Webjet eGift Card.

Gold Coast Airport Chief Operating Officer Marion Charlton congratulated all winners in the competition and thanked participating stores for their enthusiasm in promoting the competition.

"Every year we like to hold a competition to give our passengers a little extra fun activity while they wait in our departure lounge," she said.

"This was the biggest response we have had to date, and we are thrilled with the outcome. Congratulations to all our winners and a big thank you to our partners and retailers that participated in the competition."
