

Macau International Airport issues RFP for Passenger Terminal sub-concession

Macau International Airport is inviting operators to submit a proposal for its North Departure Level subconcession

Macau International Airport (MIA) is inviting operators to submit a proposal to manage the sub-concession for its Departure North Airside of the Passenger Terminal Building.

The sub-concession consists of shops 1, 2, 3 and 4, as well as Kiosks G2, A, B, C and C1 which covers approximately 1,122 square meters. MIA stated that they are looking for an operator that can offer world-class duty-free services, a range of products, high-quality facilities, innovative retail concepts at competitive prices, and services that raise passengers' experience. The new contract will be valid for five years, from 7 November to 6 November 2024.

Operators will need to provide the design concept, layout and implementation plan in their proposals. The closing date for the tender is 29 July 2019 at 12:00p.m. Macau local time.
