The Asia Pacific Travel Retail Association (APTRA) has welcomed Denizen, Four Pillars Gin, Heineken and Loch Lomond Group, along with Changi Airport Group, as partners for the APTRA Networking Lunch on Sunday, May 12 in Singapore.

Over 170 people have registered for the event as an opportunity to network on the eve of the TFWA Asia Pacific exhibition and conference. The lunch is open to everyone in travel retail and will be held at the Tanglin Club, Raffles Ballroom, Stevens Road, Singapore.

Tickets are available at US\$120 per head to include a buffet lunch and drinks supplied by the partners. In keeping with APTRA's status as a non-profit organization, the tickets are priced to cover costs without profit.

Sunil Tuli, President of APTRA, commented, "It is fantastic to have such willing support from so many partners as their contribution helps us to deliver a premium event at a reasonable price. As always, APTRA welcomes all members of the travel retail community, you don't have to be an APTRA member, although we encourage more organizations to join us in growing our valuable industry network. We have a few spaces still available and will do our best to accommodate late registrations on the door at the lunch."

Tuli will be presenting at the TFWA Asia Pacific Conference on Monday May 13.
