Singapore  
12-3.30pm

Ticket price to cover costs: USD 120/head

The Asia Pacific Travel Retail Association (APTRA) is set to once again host a networking lunch at The Tanglin Club in Singapore on the eve of this year's TFWA Asia Pacific show.

The event, on Sunday May 12, is open to everyone in the industry.

Sunil Tuli, President of APTRA, said, "Following the sell-out APTRA networking lunch in 2023, attended by over 180 people, we are pleased to establish this as an annual event to welcome delegates to our home here in Singapore, as they prepare for the TFWA Asia Pacific Exhibition & Conference. Helping the industry connect and network is one of our core strategic objectives and we will do just that next month. The APTRA team and board members will be in Singapore for the TFWA exhibition and we look forward to catching up with members and industry colleagues during, what promises to be, a stellar week. As always, the APTRA Networking Lunch is a not for profit event and the price per head is purely to cover costs."
