

TFWA announces new Management Committee

Elected by TFWA members during the Association's annual general meeting on October 1 - 2, TFWA is pleased to announce the members of its new Management Committee. The Committee will serve a two-year mandate until the next elections are due in October 2022.

As we face what is undoubtedly the most challenging time for our business and the industry, it is more important than ever to have a strong leadership team at TFWA. I believe our new Management Committee has the experience and knowledge to help the Association and the wider industry overcome the challenges ahead," says Alain Maingreud, Preident, TFWA
