

WiTR heads into Summit of the Americas in style

WiTR welcomed industry colleagues to an informal event at the trade show

To help kick off the trade show in West Palm Beach, Women in Travel Retail ([WiTR](#)) hosted an informal networking gathering on Sunday evening (April 16) prior to the show's official opening cocktail. Along with light snacks, wine was generously provided by [WEBB Banks](#).

The event featured a raffle with the chance to win [FlyWithWine's](#) Wine Suitcase, described by the company as "the only suitcase designed to protect your wine." The luggage offers the best of durability and style.

KOMA KARANATH Foundation was also announced as WiTR's 2023 charity. Founded by actor, producer, writer, humanitarian and stand-up comedy Maitreyi Karanth, the foundation is on a mission to build a KOMA community in the impoverished municipality of Gloria, Philippines.
