

New-format Summit Celebration a hit with Orlando show attendees

Summit of the Americas attendees enjoyed a Summit Celebration at the Hyatt Regency Orlando hotel on Tuesday evening to mark this year's Summit of the Americas.

The new-format Summit Celebration, which replaced the usual formal sit-down gala dinner, was a refreshing change, according to many delegates.

The buffet-style format gave guests – dressed in business casual attire – a chance to mingle, drink cocktails, eat heavy hors d'oeuvres, and enjoy light entertainment.

All this was followed by higher-energy entertainment and dancing that continued until the early morning.
