

# Beauty&You by Shilla Duty Free unveils summer beauty exclusives

This summer season, go bold with the Tom Ford Lip Colour Set which contains three best-selling shades from the brand

Make Up For Ever Let's Gold Eye Palette, which retails at Hong Kong International Airport's Beauty&You store, comes in 18 golden shades that allow users to mix and match to achieve their unique looks

Beauty&You by Shilla Duty Free has launched two exclusive make-up collections at the Hong Kong International Airport (HKIA) to celebrate the summer season.

The two collections are Tom Ford Lip Colour Set and Make Up For Ever Let's Gold Eye Palette. In a press release, the retailer said that both collections "perfectly capture the season's bright, vibrant colours."

The Tom Ford Lip Colour Set, which includes lipsticks in their best-selling colours, retails at HK\$1070 (US\$136.33). The retailer said the collection is made of rare and exotic ingredients including soja seed extract, Brazilian murumuru butter and chamomilla flower oil, which create an ultra-creamy texture with an incredibly smooth application.

The Make Up For Ever Let's Gold Eye Palette has a total of 18 unique golden shades to highlight the beauty of gold and its variations. Additionally, the collection is made for customizable mix-and-match for all skin tones. This eye palette retails at HK\$420 (US\$53.50)
