

Ospree Duty Free Mumbai launches TechnOspree electronics store

“A tech lover’s paradise”: TechnOspree opens at Mumbai Airport Terminal 2

Ospree Duty Free Mumbai has introduced a new electronics store concept: TechnOspree.

According to the travel retailer, in an era where technology is the cornerstone of modern living, the grand opening of TechnOspree by Ospree Duty Free marks a significant milestone for travelers and tech enthusiasts alike.

Located in Terminal 2 at Mumbai International Airport, TechnOspree spreads over 184 square meters and promises “an unparalleled shopping experience, blending convenience with cutting-edge innovation”.

TechnOspree is focusing exclusively on electronics, catering to the growing demand for high-quality tech products at competitive prices. The store’s launch is timely, meeting the needs of globetrotters seeking the latest gadgets.

TechnOspree boasts an extensive array of products from world-renowned brands, from smartphones and tablets to smartwatches, headphones, speakers, and gaming consoles. Key brands featured include Apple, Bose, Bang & Olufsen, JBL, Sony, Marshall, GoPro, and a few duty-free exclusives like Sonos and Atari.

TechnOspree features eco-friendly products, including energy-efficient gadgets and devices made from recycled materials

The store is designed with customer experience in mind. With sleek, modern interiors and interactive displays, TechnOspree offers a hands-on experience, allowing customers to test products before purchasing. Knowledgeable staff are on hand to provide expert advice, ensuring shoppers make informed decisions tailored to their needs.

TechnOspree is also committed to sustainability. The store features a range of eco-friendly products, including energy-efficient gadgets and devices made from recycled materials. This commitment to green technology aligns with a broader global push towards sustainability, making TechnOspree a forward-thinking leader in the retail space.

Speaking on the launch, Avishek Bambii Das, CEO of Ospree Duty Free, said, “We are thrilled to introduce TechnOspree to the world. Our mission is to provide travelers with access to the latest and greatest in technology, all while enjoying the benefits of duty-free shopping. We believe that by offering a wide range of high-quality electronics at competitive prices, we can enhance the travel experience and make cutting-edge technology more accessible to everyone.”
